Group Party FAQs

Groups of 12 people and over eligible for the Christmas Package deals.

A buffet style selection of our festive snacks & sharers will be served as standard, please let us know any dietary requirements in advance.

HOW DOES IT WORK?

Each player will be given a player card preloaded for your allocated time slot in the arcade. Simply tap your card onto the card reader to play the chosen game. Your time starts after the first tap on the first machine.

Your time slot for AR darts will be booked in prior to your arrival, so all you need to go is turn up and let the festivities begin!

WHAT GAMES CAN I PLAY?

You can play any game with a yellow card reader which includes arcade games, sports games and pool. It does not include any game with a blue card reader.

HOW LONG CAN WE STAY?

As long as you like! Head to the Restaurant & Bar for a buffet meal once your games have finished. You'll be hungry after all that gaming, time to dig in and let the drinks flow!

DO YOU HAVE HALAL OPTIONS?

We have many different halal options to choose from.

DO YOU HAVE GLUTEN FREE OPTIONS?

Yes! We have Gluten free options. Our team can assist with this.
